

**PINAL COUNTY**  
WIDE OPEN OPPORTUNITY

**EPA ENVIRONMENTAL MITIGATION PROJECT**

**PINAL COUNTY ROAD PAVING MITIGATION PROJECT**  
**3<sup>RD</sup> QUARTER REPORT AS OF SEPTEMBER 30, 2017**

**Description of Project Activities and Milestones:**

Entellus - design consultant, completed 100% design plans on August 18, 2017.

ViaSun Corporation was procured and given the Notice To Proceed on September 20, 2017 as the construction contractor of the substantial road paving portion of the project to include earthwork, base import and install and concrete ford wash crossings. Equipment mobilization and earthwork-subgrade construction and preparation began September 25, 2017.

Storm Water Prevention Plan completed and waddles installed per plan locations on September 25, 2017.

Continued environmental support and services through SWCA environmental consultant.

Continued coordination with water resource.

Continued identification and field location of existing water line to ensure no conflicts with road paving project.

Pinal County In-House Staff began the installation of erosion control measures on August 11, 2017 and anticipate completion by October 6, 2017.
